Dear Mr. Morisy:

This is an initial response to your Freedom of Information Act (FOIA) request of 26 December 2012, which was received by this office on 26 December 2012, for a "printout/listing of documents in the National Security Agency's ADMS document management database that are more than 80 years old (i.e. that have a date before 1933)." In your email of 21 January 2013, you narrowed the scope of your request to documents between the years 1900-1929. Your request has been assigned Case Number 69484. This letter indicates that we have begun to process your request. For purposes of this request and based on the information you provided in your letter, you are considered an "all other" requester. There are no assessable fees for this request. There is certain information relating to this processing about which FOIA and applicable Department of Defense (DoD) and NSA/CSS regulations require we inform you.

Your request has been placed in the first-in, first-out processing queue for Non-Personal Easy cases along with a similar FOIA request (65200). Both requests will be processed together since responsive documents for that request will be included in yours.

Any other correspondence related to your request also should include the case number assigned to your request. Your letter should be addressed to National Security Agency, FOIA Office (DJ4), 9800 Savage Road STE 6248, Ft. George G. Meade, MD 20755-6248 or may be sent by facsimile to 443-479-3612. If sent by fax, it should be marked for the attention of the FOIA office. The telephone number of the FOIA office is 301-688-6527.

Sincerely,
